Shabbat Ends at  
6:53 pm

Dear Parents,

We said a fun farewell to our high holidays until 5771. We enjoyed marching throughout the two rooms with the Torahs and our flags raised high.

With the holidays behind us our attention has turned to fall. The children helped collect acorns, wood chips, pinecones and beautifully colored leaves for a collaborative fall collage. In addition the children made individual fall trees. Please come take a look at our masterpieces! We rhymed fall with ball and call (etc.) and we observed how we went from lightweight clothing to sweaters and heavy jackets.

We are also learning how animal behavior is changing as they get ready for winter. Morah Hinda taught us the song of the frisky squirrel looking for nuts.

We continued to learn the letter Aleph and we are beginning the Hebrew letter Bet for Binyamin.

Exciting News: Two of our toddlers are well on their way to being potty trained (we are glad to help). In addition we celebrated a birthday: Mazal Tov Shira Chaya on her Second Birthday.

Stay tuned for our next exciting chapter!  
Have a *Shabbat Shallom!*

Morah Myrna, Morah Chani, Morah Grace and Morah Kelly
