

September Newsletter

News!

The first two weeks of September have been full of exciting changes, some of which included new teachers and students! We had some of the children learning how to go on the potty while others were learning to drink from a cup for the very first time.

Now that the second half of September is here, we will be focusing on Rosh Hashana, letter B, reviewing numbers, shapes and colors.

We have been reviewing the different sounds of the shofar. We also learned that Hashem is the King and He created everything in the whole world. We will be continuing to learn about Rosh Hashana in the next few weeks.

Important Dates:

9/28 - Erev Rosh Hashana 12:30 Dismissal
9/29 - 9/30 - School Closed

Teacher's Corner:

We had a great two weeks of school. We have learned so much about your child in so little time. As we are adjusting to all the new changes of a brand new school year, we also would like to thank you for all your patience and support throughout the first two weeks.

Summer is definitely over and the weather is starting to get cooler, so please make sure to bring in the proper attire for your child's outside time.

We enjoyed welcoming and meeting you at our open house on the 15th, and discussing more in depth goals we have set out for your child in the coming year.

Thank you,
Morah Paola & Morah Chana
