News!

We had a great past two weeks reviewing the letter F and talking about Thanksgiving and fall. The children loved making the turkeys with their handprints. We also learned about what happens in the fall. We put on our turkey costumes and had a lot of fun learning new songs for our Thanksgiving breakfast. The next two weeks, we will be reviewing Letter G and H as well as, discussing about all aspects of our home and body parts

In our Judaic circle we have been learning about chessed-kindness, and about being kind to our friends. This week we have been learning about opposites, because Yaakov (Jacob) and Eisav (Esau) were opposites. We have been learning the letter "Gimmel". The children enjoyed decorating their gimmels and making Glida (Ice Cream)! We will be moving on to the letter "Daled" and we will begin learning about the holiday of Chanukah.
