

# January 20<sup>th</sup> Newsletter

Candle Lighting  
Parshat Va'eira 4:39

## News!

We have had a great 2 weeks learning about winter. We made snowflakes and learned how water in the cold turns into ice. Now when the children go outside, we go on water puddle hunts looking for ice. The next two weeks we will continue exploring concepts of winter. We will be discussing more about animals that live in the cold. We also will be introducing the topic of hibernation and migration.

In our Judaic circle, we are finishing our unit on Shabbat next week. This past week we focused on Kiddush and challah. This week we were busy making challah covers with Morah Myrna, Kiddush cards and we made our own challah dough. Next week we will be focusing on havdallah. The following week will start our unit on Tu'bshvat, the birthday of the trees. We are continuing to learn and review our Aleph-Bet letters. We have learned up to the letter Hey!

## Important Dates:

February 3- Bubby and Zaidy Shabbat\*\*  
February 20- Presidents Day - No School

\*\*More details to follow

## Teacher's Corner:

It is already the middle of January....We are happy to see the continued progress and growth in your children.

We would like to welcome Ari Schnitzer, to our class! We would also like to wish a happy 5<sup>th</sup> birthday to Aryeh-Leib and Binyamin Kramer. A special thank-you to Morah Myrna for coming and helping to make the challah covers!

Reminders:

Now that the weather is colder, **please** bring in your child with proper winter gear (i.e. hat, gloves, jackets...)

Shabbat Shalom  
Morah Paola, Morah Chana & Morah Laura

\*\*For a project we need empty milk/juice cartons. Thank you!
