Candle Lighting

Parshat Vayishlach- 4:09 pm

News!

This week we reviewed the letter H and were talking about our bodies. We learned that we have ten fingers, learned about our nails, neck and even shoulders. We loved comparing our feet, seeing who had the biggest and smallest foot. We even, traced our bodies and talked about our body parts. We had so much fun reading library books and singing new songs. We had so much fun on Friday - Hat Day! Next week we will continue talking about the letter H and learn all about the five senses!

In our Judaic circle, we have been learning about Chanukah! We have learned how dreidels start with the letter of the week "Daled." This past week, we have focused on counting the candles in the menorah. We have also sorted different items relating to Chanukah by size, shape, and color. The children enjoy spinning like dreidels and singing the Chanukkah songs we have learned.

Important Dates:
