

June Newsletter

Shalom Parents!

We had such a great time celebrating our fathers at 'Donuts for Dad'. The children enjoyed the company of their family in the classroom as they decorated donuts, gave their dads their special ties and spent time together. The children especially loved the video presented to their dads.

We learned about the different Brachot (blessings) that we make on food. We practiced saying Brachot and sorting foods into the proper Brachot category. We watched an amusing Brachot puppet show video and colored a Brachot coloring book.

We also learned about the Mitzvah of respecting our parents. We discussed all the nice things that our parents do for us and the different ways we can show our appreciation. We took turns dressing up like mommy or daddy so that our friends can practice listening right away and talking respectfully.

Bracha (Blessing) Song:

Wait, Wait, Wait, Wait, Wait, Wait
Wait everybody, before you eat or drink
Make a Bracha loudly
Pronounce it carefully
Say it loud, say it clear, every time
So I can answer with Amen and you can answer mine
So I can answer with Amen and you can answer mine

Honoring Parents Song:

Let's play a Mitzvah game
It's all about 'Kibbud Av Va'em' (honoring your parents)
You can run or jump or hop
But when your parents call you, you stop
You've got to follow a simple rule
Always make your parents so proud of you

Circle time

During circle time, the children reviewed the alphabet, colors and shapes. The children are beginning to identify numbers 11 through 15 in a mixed up order! We are so happy to see most of the children overcoming this new milestone!

Save the date:

June 19th – End of year celebration/ last day of school at 9 am

June 24th – Summer camp begins

We cannot believe this is the last newsletter of the year. We were lucky enough to be there as your children reached many milestones throughout the year, and even helped ease them through their separation anxiety. We are so happy to see how much they all have grown this year and are very excited to see how big they will become next year. Have a fun and safe summer!

See you next year,
Morahs Chaya & Paola
